PROGRAM UPDATES

JUNIOR OFFICER PROGRAM:

- Program has started and junior officers are being recruited in a joint effort with IEEE

UNIVERSITY ROVER CHALLENGE:

- URC has started their action plan and BOM. Simultaneously, we started a URC crash course to help get more students ready and involved.

SEMESTER PLAN

WORKSHOPS:

- 8 Workshops left
- 1 completed

CRASH COURSES:

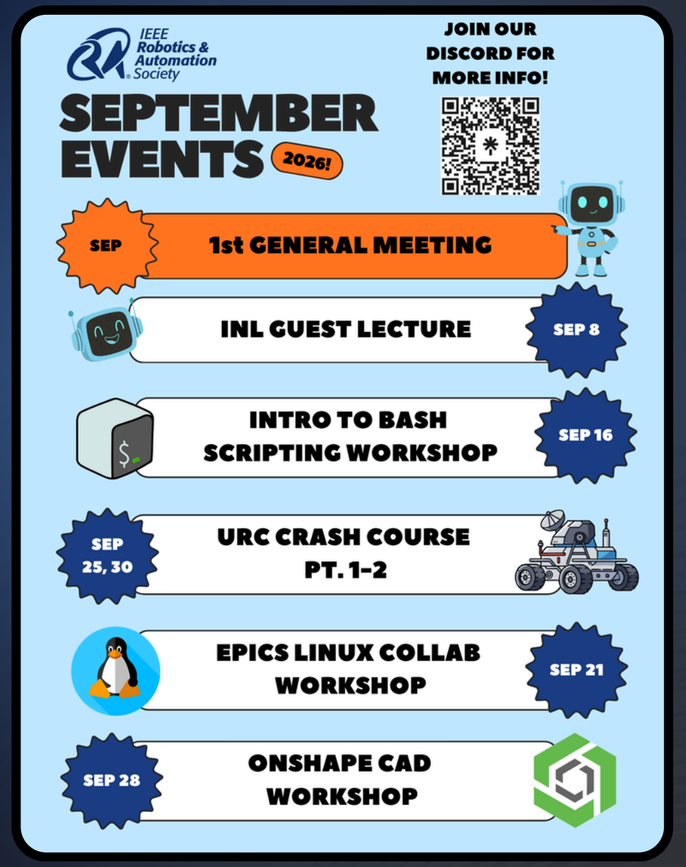

- URC crash course is starting with our first module beginning next week
- Near the end of the semester we will have an 8-bit computing crash course

UTSA EVENTS:

- We will attend pumpkin smash and are currently setting up a project team

PROJECTS COMMITTEE:

- The Projects committee is putting together teams of four in order to provide a stable way for students to expand their resume

KSAC Meeting Notes
